For : Deans, Directors, and Heads of Academic Units

Subject : 12 February 2018: Seminar on an Overview on Outcomes-Based Education (OBE) and its practical application

---

The Office for the Advancement of Teaching (OAT) is pleased to invite representatives from your college/unit to the Seminar on an Overview on Outcomes-Based Education (OBE) and its Practical Application on **12 February 2018 (Monday), 8:00 AM – 12:00 NN** at the Audio-Visual Room (AVR) of the National Engineering Center (NEC). The seminar-workshop is part of the activities under the OAT's University Teaching Program.

The seminar is open to all faculty members teaching graduate and undergraduate courses. However, because of the limited logistics, we can only accommodate a maximum of 90 participants. We will accept participants on a first-come, first-served basis according to a number of slots that we distributed across the colleges/units. To register, please email the name/s of the participant/s from your college/unit to [ovcaa.oatdiliman@up.edu.ph](mailto:ovcaa.oatdiliman@up.edu.ph) (Attention: Ms. Daizy Agao) so we can inform you of your enlistment status. Should colleges/units fail to fill in their assigned slots, we can then open them to the waitlisted participants. Participants will be provided a light morning snack and some materials

We look forward to your participation in the OBE seminar.

Thank you very much.

Very truly yours,
